

March 27. 2020

Fellow owners,

Our interim Association board of director president, Mike Greenberg, has resigned his position due to some non-life threatening health issues that are consuming his attention.

Consequently, the following changes have been made to your interim board of directors:

President - Joe Wheat  
Vice President - Jeff Christopherson  
Treasurer - Lori Smith  
Director at Large - Kris Freedman  
Director at Large - Rich Wallace

We would like to thank Mike for all of his hard work this past year or so in support of the changes we have made to the structure of the Association, his leadership of our interim BOD, and his wonderful communication skills in developing our website among other volunteer work he has done on our behalf. Thank you Mike, and best wishes in the future.

In other news, your board members have been busy this winter working through the transition activities required as a result of our amenity asset sale last December and the restructure of our Association into the 66 lots in "Park B" of the resort.

A short list of the activities that have been completed include:

1. Revisions to our liability insurance coverages.
2. Transfer of our dues billing and invoice process to Odyanski Accounting and Tax Service in Deer Park.
3. Submittal of our 2019 Federal Tax Return.
4. Preliminary work with G7 on Resort Rules and Regulations to ensure consistency with our Association CC&Rs.

We hope this email finds you all safe and in good health during this tough time we are all going through.

Sincerely,  
Joe Wheat
