To: Spokane RV Resort Owners Association Member/Owners

Subject: Owner survey for Shed Black Trim Color

Dear owners,

One of our member/owners has asked for a survey of our ownership group as follows:

“Dear HOA Members-

Would you vote Yes or No to having a flat black as an optional trim color for sheds?”

Please reply to this email - Yes or No

Thank you

Your Board of Directors has discussed this proposal and believes that the current trim colors for our sheds should stay consistent across the park. Our current shed green trim color also maintains consistency with RV resort restroom/laundry building, office and pavilion buildings.

Please reply to this email by next Tuesday, September 14th with your preference – Yes or No.

Thank you,

Board of Directors
