Architectural Change Process Flow

Lot Owner Prepares written Plan and Description for Changes/ Additions (what to be added, sketch, drawings, etc.)

Owner Revises Plan Accordingly

Owner Implements Change

Owner Submits Lot Change/ Addition Plans to Association Board of Directors (BOD)

Change Request Denied

Board of Directors Sends Approval Notice

BOD
- Receives submittal
- Distributes to Resort Maintenance Supervisor for Review

BOD
- Reviews Changes per Guidelines
- Notifies neighbors as needed

Change Request Approved by BOD
