Dear Owners,

Re: June 2021 Association News

All owners should have received an email this week with the required distribution of our annual meeting agenda, time and place scheduled for Monday, June 21 at 4PM. Per our Declaration and Washington State Code, member meeting notices must be distributed in-person or through United States mail. Those requirements were waived by Governor Inslee in his "State of Emergency Proclamation" dated February 20, 2020, as amended, allowing for electronic distribution of Association materials. That said, with most COVID-19 restrictions hopefully things of the past, your Board will endeavor to visit each owner lot to personally deliver the annual meeting notice and seek owners RSVP to our after meeting social, catered dinner in the pavilion (Resort clubhouse).

During the annual meeting, and has been mentioned in the Board Letter to Owners dated May 23 this past month, your Board has met and provided input to Kris Freedman of Grapevine 7 concerning the landscape maintenance services provided to owners by Resort employees. The Association has also solicited landscape maintenance bids from outside providers so as to understand the Association alternatives in this area. During the annual meeting, this subject will be discussed openly during the president's report section of the meeting.

In the annual meeting there will be an election to fill two open positions on the board. Last year, our members agreed to have our board members elections on a staggered basis, with 2 directors elected every two years and 3 directors elected on alternate years. If you are interested in running for election for one of the two open seats on the board, please reply to the board will your intent by sending an email to the Association email: dprvoa@gmail.com or let any of the board members know of your intent to run.

Lastly, if there is a subject any owner would desire to have added to the annual meeting agenda, please alert any board member or send an email to the Association email address.

Thanks and the board hopes to see you all at our annual meeting!

Sincerely,

President – Joe Wheat
Vice-president – Pam Voshall
Secretary – Chris Evans
Treasurer – Greg Silagy
Director at large – Kris Freedman
